Introducing the Seaberry floor plan—a splendid two-story home sitting on an oversized lot and offering 5 bedrooms, 4 baths, a Dining Room, and Study. As you enter, you're greeted by the elegance of a Republic style 8' Front Door, welcoming you alongside a fully bricked front porch. Step into luxury with Laminate Wood floors and our Deluxe Kitchen featuring Charleston style gray cabinets, upgraded Quartz countertops, double ovens, a 5-burner cooktop, and adorned with two pendant lights to illuminate your culinary adventures. Study boasts sophistication with Glass French Doors, offering privacy without sacrificing style. Bath 4 features a shower in place of the bath, enhancing convenience and modernity. Exterior showcases an upgraded white brick exterior, complemented by black paint on the garage door, adding to its curb appeal. Contact us or visit our model home in Wildflower Ranch for more information about this and other available plans.
