CAR GARAGE

Offering a transitional layout with flexible rooms, Bloomfield's Cypress is a popular 3 bedroom, 2 bath single-story built with modern living in mind. You'll find sought-after features in this home like storage space from a 2.5-car garage & built-ins, a roomy Study with glass French doors, separate laundry, a Covered Rear Patio, and a Stone-to-ceiling Fireplace with a cedar mantel. Fully-equipped Deluxe Kitchen comes with quartz surfaces, all DECO backsplash tile, trash can pull-out drawer at the island, gas range with direct-vent wood hood, and built-in microwave-oven tower next to the kitchen sink. Lux Primary Suite design features a connected sitting room and upgraded bath with an enlarged shower & granite countertops. Full landscaping package, sprinkler system, stained wood backyard fencing, and don't forget to ask about the energy-efficient features in every Bloomfield home. Open & available for tours every day! Come visit Bloomfield at Hampton Park.
