Completed New Construction - The Dogwood from Bloomfield Homes provides 3 bedrooms, 2 baths, Private Study, and a gorgeous open-concept living space with Laminate Wood floors. Upgraded Brick elevation with a great Covered Front Porch and a Covered Patio in the back, giving you two large outdoor spaces ready to be transformed on over a half-acre! The Family Room is bright & open with walls lined with Low-E windows, and you can enjoy the coziness of a real fire from the Stone to Ceiling Fireplace with a live-edge cedar mantel. Charming kitchen comes with SS appliances, a large island workspace, and sparkling quartz countertops. Plus, a buffet at the dining space has extra storage & surface space! Spacious Primary Suite has a window seat, walk-in closet, and a 5-piece bath. Not only is the homesite over half an acre, but it also comes with fresh sod, full sprinkler system, and professional fencing. Call or Bloomfield at Coyote Crossing today to find out more about this stunning home!
