Come and see this coveted floor plan on an OVER HALF ACRE homesite with quick commutes to Fort Worth or Cleburne! Modern Bloomfield Homes' design featuring custom luxury finishes throughout. Ceiling to Floor windows for pure satisfaction of views in every direction. Gourmet kitchen for all your entertaining needs, painted cabinets in kitchen & baths, open living room with a 17' stone fireplace, 5 bedrooms (huge primary suite!), game room, media room, and a covered rear patio. Full oak stairs with wrought iron spindles, as well as along the upstairs catwalk, make for a unique view and stately atmosphere. Extras added to the kitchen include quartz countertops, double ovens, built-in gas range, a white farmhouse sink, and upgraded cabinetry to add a wood vent hood and pot drawers. The outdoor space is endless with full landscaping, sod, sprinkler, and stained fenced with metal posts. Please call or visit Bloomfield at Coyote Crossing today for this one-of-a-kind home.
