The Redbud II by Bloomfield is a bright & spacious two-story with 5 bedrooms, 3 baths, a contemporary kitchen open to the living space, and an upstairs game room. Primary Suite & 3 bedrooms downstairs; Bed 5 & Bath 3 upstairs off the Game Room creates a private retreat! Laminate flooring throughout the common areas gives you the looks of the real thing without the upkeep. Modern Kitchen boasts a large center island workspace, SS appliances, Gas cooking, and beautiful Quartz surfaces. Seamless flow into the breakfast and dining space. The Primary Suite was upgraded to include dual sinks at the vanity. Extended Rear Patio, Laundry room near the garage, multiple energy-efficient features, 8' front door, fenced backyard, and more! Call Bloomfield's model in Star Ranch today to explore what else comes included with this new construction.
