Cypress II plan by Bloomfield Homes is a charming two-story hosting 4 bedrooms, 3 baths, and a huge 3-car garage. With a stone & brick-accented exterior and custom 8' front door, this home is sure to provide ample curb appeal. The open-concept living space features a beautiful Kitchen with Quartz countertops, SS appliances, a center island workspace, a large walk-in pantry with a frosted glass panel door, and a trash can pull out at the kitchen sink. Buffet at Breakfast Nook offers extra counter space & storage. Primary Suite has all the bells & whistles including a window seat, sitting area, 5-piece attached bath, and walk-in closet. 2 more bedrooms on the first floor; Bed 4 & Bath 3 upstairs off of the Game Room. Upgrades were thoughtfully curated to add value, like scratch-resistant RevWood Laminate flooring, Glass French Doors at the Study, a Stone-to-ceiling Fireplace, and Paint-grade cabinetry throughout.
