New Construction in Silo Mills - a master-planned community in Joshua with premium amenities & close schools! Bloomfield Homes has carefully crafted this single-story cottage with 3 bedrooms and 2 baths. Favorite features of this plan include the HUGE covered front porch, a large Study with Glass French Doors, and the open concept living space that's been enhanced by designer upgrades! Gorgeous & durable Laminate Wood floors grace the common areas front to back, painted cabinets throughout, and an added Stone Fireplace reaches from floor to ceiling and has a raw-edge cedar mantel. Plenty of storage provided in the kitchen, which is centered around a sizeable island that's perfect for barstools! Comes equipped with granite surfaces, gas SS appliances, a trash-can pull out at the island, and a buffet for additional storage at the dining nook! Second covered outdoor space at the Back Patio, with a gas drop to easily hook up your grill. Come visit Bloomfield at Silo Mills to tour today!
