New Construction just finished! This Classic Carolina floorplan is a 3 bedroom, 2 bath single-story packaged perfectly in a stylish brick built by Bloomfield Homes. This home provides a wide, open Family Room with a stacked stone-to-ceiling fireplace, built for entertaining and cozy nights. Sharing the space, the Kitchen has an abundant island workspace, SS appliances, a buffet, and fabulous custom cabinets. The widespread Primary Suite has enough room for king bed AND sitting area, and the ensuite has an oversized shower ILO the tub shown on plans. The additional 2 bedrooms are located on the opposite side of the home along with a dual sink bathroom and a Study that could easily be used as a fourth bedroom. Enjoy the outdoors on the Extended Covered Patio that looks over the fenced yard- Truly idyllic! Take a moment to call or visit Bloomfield at Timberbrook to learn more or schedule a tour.
