Remarkable new construction from Bloomfield, this Spring Cress plan promises sunlit-filled rooms with tall ceilings and contemporary finishes. Corner homesite! Masterful downstairs layout composed of a large Study, guest room, Primary Suite, and the gorgeous open-concept common space lined with Engineered Wood floors. 17' Tile Fireplace reaches the Family Room ceiling and there's horizontal railing above at the Game Room. Starting at the wide island, the Deluxe Kitchen features dolomite countertops, modern grey cabinets, marble backsplash, a white farmhouse sink, and ALL GAS cooking on built-in SS appliances! No lack of storage, plus a separate mini garage has potential for a gym or workshop. The best movie nights await you upstairs where combined Game & Media Rooms offer plenty of space! Additional 3 bedrooms upstairs, each considered extra-large! And don't forget about the backyard, with a Gas Drop at the Covered Patio so you can easily fire up your grill.
