Bloomfield New Construction featuring 4 bedrooms and 2 baths in an open-concept, single-story layout. This home has a beautiful exterior combination of Stone & Brick complemented by an 8' front door, a large bay window, gutters, and cedar garage door. Inside you'll find contemporary enhancements like Laminate Wood floors extensively thru presentation areas, glass French doors at the Study, exotic granite countertops in the kitchen, and stained wood beams lining the raised Family Room ceiling. Plus a cozy & classic stone fireplace was added to the Family Room with a live-edge cedar mantel. With a large island & neighboring buffet, the Deluxe Kitchen has plenty of counterspace & storage; complete with built-in SS appliances & a wood vent hood. There's plenty of space in the Primary Suite for a king bed. At the Covered Rear Patio, convenience awaits at a gas drop for instantly firing up your grill. Visit Bloomfield's Stone River model to learn more about this popular plan!
