This beauty from Bloomfield feels like home the minute you pull up to this corner lot, as a timeless brick & stone elevation and an 8' tall front door welcome you. The family room ceiling soars 17-ft leading your eyes all the way to the second-story windows, and the spacious breakfast area looks out to the expansive backyard. Wood floors line the common spaces; and a Deluxe Kitchen with a light color palette features white cabinets, an island sink, upgraded appliances are built in, and sparkling quartz surfaces. Giant Primary with separate vanities & drop-in deck tub at the bath, and the huge walk-in closet goes through to the laundry room! Additional study, powder room, bedroom suite, and formal dining room are all on the first floor. Flexible Game Room space upstairs, as well as 2 bedrooms sharing a Jack & Jill and a 3rd bedroom suite. Space for everyone- whether private or entertaining- this home will leave you breathless! Won't last long, come tour today at North Grove.
